TO WHOM IT MAY CONCERN

Brandofino Communications Inc, publishes Doctor's Digest on a bi-monthly basis with a print quantity of approximately 101,000 copies with fluctuations, plus or minus, not exceeding 1.5%. This mail is processed around the 20th of the month in which it is produced and mailed through the Mechanicsburg Post Office facility, which confirms all mail quantities prior to processing.

Brandofino has been a customer of Fry Communications since February 2005 to present. They have always paid their invoices timely and we consider them an excellent account.

Sincerely,

Mary Roberts
